**THE HON'BLE Ms. JUSTICE G. ROHINI**

**WRIT PETITION No.2108 OF 2004**

**ORDER:**

This Writ Petition is filed questioning the order passed by the 1st respondent-A.P. Beverages Corporation Limited, dated 7.10.2003, under which the offer made by the respondent-Corporation in their earlier letter dated 17.8.2002 was cancelled. Along with the Writ Petition, the petitioner filed Miscellaneous Petition seeking interim direction to consider his representation dated 24.12.2003, whereunder he requested the 1st respondent-Corporation to take the building in question on lease.

This Court while directing *Rule Nisi* on 6.2.2005 directed the 1st respondent-Corporation to consider the said representation of the petitioner dated 24.12.2003.

When this matter is taken up for consideration, it is brought to my notice that in pursuance of the direction given by this Court, the 1st respondent-Corporation having considered the representation of the petitioner, passed order dated 1.3.2004 rejecting the representation made by the petitioner. The said order was already communicated to the writ petitioner, which fact, has not been disputed by the learned counsel for the petitioner.

In the circumstances, I am of the view that if the petitioner is aggrieved by the order of the 1st respondent-Corporation dated 1.3.2004, it is open to him to work out appropriate remedy as available under law, but nothing survives for adjudication in this Writ Petition on merits so far as the order dated 7.10.2003 is concerned.

Accordingly, the Writ Petition is disposed of granting leave and liberty to the petitioner to work out appropriate remedy as available under law so far as subsequent order dated 1.3.2004 is concerned.

The Writ Petition is accordingly disposed of. No costs.

26th September, 2005.
